ABOUT:

Dr. Ali Karahan, born in 1970 in Kahramanmaraş, graduated from Trakya University Faculty of Medicine in 1993. He began his career as an emergency doctor and completed his specialization in Anesthesiology and Reanimation at Okmeydanı Training and Research Hospital in 2004. Following this, he served as an anesthesiologist in various public and private hospitals.

Since 2009, Dr. Karahan has specialized in hair transplantation in Istanbul, managing hair transplant clinics at prestigious hospitals such as Memorial and Kadıköy Şifa. His expertise in hair transplantation has led him to participate in numerous national and international conferences. Since 2019, he has continued to provide services in his own clinic, known for his skill in achieving natural and successful results.

With over 25 years of experience and a strong dedication to his profession, Dr. Karahan is recognized as one of the leading figures in the field of hair transplantation in Turkey.

EDUCATION:

- **1987-1993:** Trakya University Faculty of Medicine
